To Whom It May Concern:

This letter is written in support of the Col. Zadok Magruder High School (Magruder HS) Junior Reserve Officer Training Corps (JROTC) Booster Club. The Eagle Battalion Booster Club is a wonderful organization of Magruder HS parents who have come together to support the young men and women who have enrolled in one of our country's finest scholastic programs. The program is built around the core values of service, citizenship, leadership, and honor. The program provides a unique opportunity for young people to become better citizens and leaders for the future through sacrifice and dedication. It has been a truly valuable component of our instructional program.

The Eagle Battalion Booster Club is the driving force behind the future success of the JROTC program. Through your support of this organization, you are investing in our students and the future leaders of our nation. Many former cadets have gone on to serve this country in the military, government, education, social service, and community organizations. You can be a part of our efforts to build for the future by supporting the Eagle Battalion Booster Club today.

With sincere appreciation,

Leroy C. Evans  
Principal
